Embassy, RepubliekNL,

The 100% spylaw in NL not only causes businesses to lose controle over their policis / top secrets....it also causes

'The complete Loss of Justice now our 100% Criminal Judges turn into Spies too'.

If you want to know Where a NL-judge works, besides a Court of Law....

<https://namenlijst.rechtspraak.nl/#!/zoeken/index>

You turn to a website of 1 of the courts; there you find the names of the Judges working for that specific court.

Than enter this name in the Nevenfuncties Register... and you can predict the outcome of tyour own courtverdict.

Or not? When the 100% Spylaw = active... Everybody Spies on Everybody.

And... journalists still think they are above the law = 100% corrupt too.

Do you really understand what this implicates?

When you switch on your Digital TV - Radio.... Everybody can Listen in = there is NO Privacy left anymore.

Everobdy can easily hack your laptop & mobile phone.

More violent Children & youth.

NL = 100% Paradize for Criminals = Young people can become extra violent, now they can't cope with life in this Evil System anymore.

How to defend yourself?

Start with the Torture-treaty and demand all RepublicNL laws, put into power by DésiréeElisabethStokkel.

Demand the Arbitration-court-system in your country.

Pay with cash money = make clear: Cash or No business.

From the day DésiréeStokkel is the official President for NL and calls for New elections for the Elected PrimeMinister in NL, national security is in controle of the People again.
