FBI, Embassy,

FBI, normally I only address you - this is usually enough - .

But this time around I need to clear up the CIA.

Yes, Planet Earth needs a Regime-change.

All Presidents + UNSG guterres + EU-politicians must leave their labourcontract for the reasons:

Presidents ignore the UNcharter - Torture treaty- HRtreaties in their contracts.

Presidents misuse the InternationalCriminalCourt as their Murder-weapon for Genocide by Bureaucracy.

Presidents ignore their own National Constitution.

Presidents all keep eachother in power as Dictators above the Law.

UNSG guterres ignores all his legal obligations because he only cares for the Superrich.

Yes, Earth needs a major Cleanup = All Presidents against whom I started an ICClawcase for the fact that they build DictatorshipNL, must be put in ICC-prison... after I have cleanedup ICC.

Which is being sabotaged by All Regimes.

In the meanwhile All Presidents enjoy the making- terrorism - in the MiddleEast & Africa. Which distributes over Earth.

CIA. I think you need to grow in Social Intelligence for Justice for All of Us, before you try to remove 1 regime.

The Regime inside the CIA = weak.
