Brexit, Embassy, RepublicNL,

21March we will have Fake Elections + Fake Referendum in NL on the 100% SPYLAW.

We vote for the strongest parties in the Municipal,
based upon Falsified information presented by 100% corruptie Media.

The criminal friendship between Media-makers - Criminal Judges - Politicians
determine the info the people receive.

Problems:

- 100% corrupt Prosecutorsgeneral in NL = they determine the methods of work of Police - Intelligence services.
- 100% corruption ICJ & ICC in the UN-lobby & Secutiry-lobby

100% Spylaw will become active on 1june2018; despite Referendum-results.

What will happen to business-contracts?

The Elite - who runs NL - will have acces to ALL kinds of information: inlogcodes + pincodes + confidential papers.

The Elite - against whom I started an ICclawcase - will most definetly participate in 'creating Fake Trade-deals'.

A Business-contract = nothing worth anymore!

Germany:

The people in DE still pay with Cash monay in shops = they don't want the DE-taxoffice to know everything.

In Holland we mainly pay with cards = government has access to ALL info on payments.

Belgium: idemdito

Luxemburg: they protect powerfull EU-leaders ... and other Elite...

Denmark: has NO 100% spylaw

Norway: NO EU-member + NO 100% Spylaw.

Sweden: 100% corrupt to NL = they support only the NL- Elite-massmurderclub.

Russia: I try to make KseniaSobchak the new RU-embassador in NL, for EU too = she won't become Kremlin-president 18march2018

Influx of Criminals in NL - EU relationship:

Holland - DNL - will cause hel in business-contracts.
Criminals will take over NL, because they want to be 'above the law'.

BREXIT; your contract is nothing worth.

Especially not, now NicolaSturgeon is prepared to give away Scotland for her private power-games with TMay.

I have build RepublicNL - with its UN Arbitration-courtsystem + EU-Future-Proof-treaty for a reason
= Keep controle over Yourself, largely in your own hands in NL.

The people don't do anything at all to stop the growth of DNL.

On the day you discover that you must stop DNL, its too late.
ou have already lost your legal position + investments.
