Embassy, RepublicNL,

The Pressagency ANP is in hands of Media-tycoon Talpa JohndeMol.

A criminal who always refused to inform the NL-people & Businesses about the ... and the impact of it for the people.

Talpa dictates the NL-media = people may not defend themselves against the breakdown of the National Security.

Next to the fact that NL-statemedia NOS/NPO are 100% partial & corrupt to DictatorshipNL, now the commercial media =100% corrupt too.

What does this mean from 1june2018 on, the day the 100% Spylaw becomes active in NL?

There is an ICClawcase against Talpa, too.

Talpa plans to support all the mass-murders designed & conducted by ICC-personnel.

Earth has NO reliable media anymore in Holland; we never had any truth from 1may2007 on... But now there is No Hope for truth left anymore.
